We specialize in working with:

**Professionals**

We can help navigate the complexities associated with employer compensation packages and will work together to develop tailored solutions to your financial goals.

- Financial Planning
- Tax Efficient Strategies
- Portfolio Management
- Restricted Stock Units
- Stock Options
- Bonuses

**Business Owners**

We understand that running your business is as challenging as it is rewarding. Our team is specialized in this unique space, and can serve as a valuable extension of your business.

- 401(k) Plans
- Group Medical Ins.
- Cash Balance Plans
- Business Succession
- Key Person Ins.
- Buy-sell Agreements

**Alaska State Employees and Residents**

Living and working in the State of Alaska means you have unique financial opportunities and considerations. With over twenty-five years of experience we can help you navigate this landscape.

- Marine Engineers’ Beneficial Association
- Social Security
- The Alaska Supplemental Annuity Plan
- Deferred Comp.
- Public Employees’ Retirement System

---

Let’s create a plan together.
